**Please find below and/or attached an Office communication concerning this application or proceeding.**

**Commissioner for Patents**

The examiner would like to make the Sangwan et al. prior art reference of record as it became available. The reference teaches 4,5-dihydropyrazoles that are related to claimed subject matter, specifically the compounds of Table 1 on page 68. The claims remain under final rejection.

/Robert Havlin/  
Examiner, Art Unit 1626
